Main Contractor: **Costain**  
Architect: **Architects Co-Partnership**  
Client: **LB Lewisham**  
Value: **£1.5m**  
Works Packages: **Suspended Ceilings,  
Plasterboard Ceilings, Feature Bulkheads,  
Wall Lining, Acoustic Paneling,**

### Overview

This was a project requiring high levels of activity in a short programme period. We also carried out works additional to the contracted scope, to enable the project to be delivered on time. This effort has resulted in our appointment as a Costain "Top 100" Contractor.

### Scope of Works

#### Ceilings:

Mineral Fibre Suspended Ceilings  
Plasterboard Ceilings  
Curved Bulkhead  
Plasterboard Beam Encasements  
Moisture Resistant Ceilings to aggressive Shower areas

#### Dry Lining:

Curved Walls to Perimeter,  
Fermacell Partitions and Wall Lining  
Vapour Barriers to Perimeter SFS  
High Acoustic Performance walls to Sports Hall & Assembly Hall  
Fermacell Column Encasements

#### Glazed Partitions
